ROTC Congressional Scholarship Initiative (ROTC CSI)

My office would like to provide information to candidates regarding an additional opportunity, related to, but separate from your application for nomination, to service academies. This opportunity is known as the ROTC Congressional Scholarship initiative (ROTC CSI)

This is an award, if selected, that provides the candidate with tuition, or room and board, and a book allowance to any college or university serviced by an Army ROTC program. If awarded, you would have an 8-year commitment to U S Army Military Service.

If you are interested in this option, you would need to sign the attached privacy statement, to have your file forwarded for consideration. If you express interest in the ROTC CSI, your application for nomination to the service academies, is not affected in **any way**.

Your file will be sent to the appropriate contact to be reviewed for the ROTC CSI. Our office has no role in this process. You will be contacted directly if additional information is needed. Decisions are made in April of each year.

☐

I am interested in exploring the ROTC CSI option, in addition to my service academy nomination application. I have completed and attached the required privacy statement.

☐

I am not interested in the ROTC CSI option.
